

## **PRESIDENTS REPORT**

The committee and I want to thank all of the members for the way they have supported the club during lockdown. This includes following all of the COVID guidelines for returning to shooting, volunteering their time for maintenance when restrictions have allowed, and continuing with their membership subscriptions despite not being able to fully use the club's facilities. The support you have shown for your club is very much appreciated by me and the entire committee.

Many thanks again to all of you who wrote in support of our planning application for the indoor range. **Our application remains undecided at time of writing.** While we wait, we are continuing to ensure we get the best value for money from the grant and club funds and to this end we are attempting to reduce build costs and find more money. We will not actually spend anything on the project (except for the planning fee) until we get permission to build so we have sought more competitive quotes for things like ground works, foundations, the building itself and the electrics. If any member has ideas on this, or thinks we should speak to a specific business, please let a committee member know. On the subject of finding more funds: if any member has ideas where we could access additional money for our project please shout now as we are looking for other grants to ensure we can kit out the new range appropriately. All fingers and toes are firmly crossed!!

The Annual General Meeting on April 9<sup>th</sup> at 7pm will be run as a zoom meeting. All committee officer reports are being circulated before hand so the actual meeting will be relatively condensed. Perhaps next year we will be able to be face to face in our new hall at the field!!

The events calendar and competition schedule for 2021 – has been posted online – but of course all activity is subject to prevailing COVID restrictions. We will be running club competitions over a specified week to allow as many people as possible to submit scores. Hopefully later in the summer things will be more as we would prefer.

<http://valleybowmen.co.uk/scoring/>

On the subject of scores please continue to sign in and submit scores using Golden Records, a platform we have adopted to collect and keep all club records and handicaps.

As in previous years we intend to support ArcheryGB over the Big Weekend however this remains postponed until further notice. Suggestions on how we could further improve the normal outdoor arrangements would be welcomed.

## **2021 PROJECTS**

- A welfare officer position co-opted to the committee has become available and is open to any adult club member. Please contact Alan Hoddinott for further details if you are interested in this role.
- The committee intends to investigate if the club should become a company limited by guarantee. If any member has experience or expertise in this area please contact Paul or myself for a chat.

Please keep safe and stay healthy!

## **SECRETARY'S REPORT**

By the time we hold the AGM, hopefully we will be back shooting again from the 29<sup>th</sup> March. At the time of writing this report I am waiting for guidelines from Archery GB on returning to shooting.

### **BEGINNER COURSES / HAVE-A-GO SESSIONS.**

During the Spring and Summer of 2020 no beginner courses were run.

We started to hold an indoor course at Royds Hall with 15 spaces taken. The course had to be postponed last March when the first lockdown occurred. As the lockdown eased, we were fortunate to arrange for 9 people to complete the course 4 of whom went on to join the club. There are 5 people still waiting to complete the course and 1 person will not complete as she has moved out of the area.

Currently we have 140 booked places (in addition to the 15 people mentioned above). 63 places had been booked pre-pandemic and the remaining 77 places have been booked or shown interest post-pandemic.

Of the 63 pre booked places 4 people have paid in full, 37 have paid their deposit, 7 people asked for their deposit to be returned and the remainder have still to pay the deposit.

Of the 77 post-pandemic places deposits have not been asked for until we know when we can run courses although 1 person has already paid in full.

The cost of the course is £60.00pp. A non-refundable deposit of £10 per person is requested to secure a place.

Statistically from the only course of 15 beginners last year 26.66% of those joined the club and all were adults which meant that we had a decrease of around 4% over our target of 30% retention of the beginners from our courses.

As you know we rely heavily on members who volunteer their time to help us out on the courses and have a go's so on behalf of the committee I would like to thank all of them for their valuable time and help as without their help the club would not function as well as it does.

Due to circumstances Friday evenings during the outdoor season for the juniors and Saturday morning sessions have been cancelled. We hope to be getting 'back to normal' during the summer months providing all lockdown measures are relaxed.

Last year there were no have-a-go sessions.

### **WORK AT THE ARCHERY FIELD.**

There were no major works carried out at the field this last year.

### **INDOOR CHAMPIONSHIPS**

The club indoor championship & handicap competitions were cancelled for this year due to the coronavirus outbreak.

### ATTENDANCE STATISTICS.

The information below has been provided by Alan Hoddinott from a diary count and the electronic booking system with a few estimates chunked in for good measure.

Columns:

From diary = count of names

From Booking = actual number of slots booked on the system (including future booking)

Estimate = Jan/Feb/Mar I've assumed 8 people Friday, 14 on Sunday for 4 weekends Jan, 5 weekends Feb, 2 weekends Mar. The estimate for Nov & Dec are my guess at how many more bookings we'll get

### CALENDAR OF EVENTS

The calendar prepared by Alan Hoddinott is now available to view on the website and in the pavilion and has already been emailed to members therefore it will not be included in these minutes.

### THE ARCHERY BIG WEEKEND

As outlined in the notes from our recent committee meeting Archery GB are to promote a re-opening weekend of 7-9<sup>th</sup> May. Ideas to be forwarded in due course.

The Big Weekend is now scheduled for 9-11<sup>th</sup> July with a promotional 'Big Week' the week before 5-9<sup>th</sup> July.

### FIELD TIDY

Date to be confirmed.

## TREASURER'S REPORT

**Bank balance remained at steady level throughout the year**

**Operating Profit of £3k**

**Income reduced significantly as expected**

Courses and hav-a-goes the most as expected

Membership by only 10% - good considering few new members and typical loss of members

However AGB fees down by 20% - so a further 10% reduction expected in March at least

Increased funding through Grant and Easy funding (now £1k)

**Expenditure reduced by similar amount**

Misc, Repairs & Maintenance and Archery equipment by >£1k each

Grass cutting costs reduced but some expenditure on mower

**Invested in Mower to reduce yearly grass cutting costs**

expect pay back in another 3 years time

**Overall loss of £4k due to continued depreciation of expenditure in previous years capitalised as assets**

NB will not capitalise as much in the future and will write down existing Misc assets faster

**Pavillion replacement fund now should be £9k**

no money put aside for this and bank balance of only £6k.

An item for a future sunny day but not to be forgotten.

## **Competition Year 2021**

**GREAT NEWS** - We are excited to announce that all Valley Bowmen Outdoor Competitions will be held during the 2021 season.

**As from the 29<sup>th</sup> March 2021 –**

1. Valley Bowmen will be running the booking system once again to allow members to get involved in shooting.
2. Each session booked will be for a 3 hour slot.
3. Competitions will be run over a period of a week to allow participation from all members within social distancing guidelines, for example the St Georges Day Shoot will start on Sunday the 25<sup>th</sup> April and will conclude at the end of Saturday the 1<sup>st</sup> May.
4. All archers will be able to join the competition at any time during that week by submitting a score of the relevant round for that competition.
5. Only one score per competitor can be accepted per competition.
6. If more than one round is shot for the event the first score will be included.
7. Score Cards will need to identify that the shoot is a competition entry.
8. The result will be collated during the week after the last days shooting and awards will be presented accordingly.

Any significant changes that we are made aware of after the Covid milestone dates have elapsed (April 12<sup>th</sup>, May 17<sup>th</sup>, June 21<sup>st</sup>) may result in changes to the above plan.

- Every club member has an individual account on the GR system. You can request a login by completing the website form at [www.valleybowmen.co.uk/scoring](http://www.valleybowmen.co.uk/scoring).
- Submitting a score. The screenshot the left shows the fields to be completed. One mandatory requirement is that you attached a photo of your signed scoresheet or the output from your scoring App if you use one.
- Once submitted, all scores are held pending approval by the Records Officer.
- Imperial Round tie-breaks : Score, Hits and Golds.
- Metric Round tie-breaks : Score, Number of tens (including X's) and X's.
- New outdoor scoresheets for Metric and Imperial will soon be available (can download).
- On GR Gold = count of 9's for Imperial rounds and Gold = count of 10s (including X's) for Metric.

## JUNIOR LIAISON OFFICER'S REPORT

# Valley Bowmen AGM 2021

## Juniors

This past year has been a disaster for the junior section of the club!

Statistics :

- Only 14 Junior Members (down from 22)
- Only 8 juniors shot during 2020/21
- 13 Juniors renewed AGB in October and think we'll be lucky to get 8 Club renewals

The silver lining is that our 8 remaining juniors are being very successful.

The Future

**3 yr plan** : To achieve the OnTarget "Young Persons" specialism

**2 yr plan** : Get back to 20 junior members

Have held at least 3 have-a-go sessions with  
Scouts/School/other YP group

**This Year** : Build foundation for the above

Junior nights

Establish relationship with local schools and Scouts

Re-establish link with UHAC

## **MEMBERSHIP OFFICER'S REPORT**

Total	146
Adults	123
Juniors	23

Adults that didn't pay AGB /GNAS	35
Juniors that didn't pay AGB /GNAS	10

Left	4
Left	2

Last Year we had total number of Adults / Juniors	142
--	-----

So over the year we have increased by	4
Some are members who have previously shot and some have swapped clubs	

Expectation is that the 45 who are yet to pay their insurance won't do so and therefore their membership will laps at the end of March.

Which will leave a new total of	101
This does not include those that are planning on stopping their membership "anyway" regardless of whether they have paid their insurance or not.
