**NOTES FROM THE MEETING:**

**1. Matters arising:**

Any items arising are dealt with in the main agenda

**2. Welfare:**

Nothing to report.

**3. Finance:**

No major changes in our financial situation. We still have £2500.00 to claim from the Sport England grant but the building must be signed off by Building Control and to receive the completion certificate before we receive the final amount. The electrical installation (which is ongoing) still has to be paid for but we have enough money in the bank to pay for this.

**4. Scores and Records:**

Graham confirmed most members were using the golden records system and the Apps being used were acceptable particularly those that allow a counter signature.

## **5. Competitions:**

The Thanksgiving shoot will take place on Sunday 28<sup>th</sup> November (10.00am for 10.30am). This event consists of shooting at pictures of Turkeys and collecting scores for a kill or a wound. It's a fun event. Also, there will be the usual minestrone soup (the John Evens recipe – our former treasurer for those new members who did not know him) and perhaps pumpkin pie supplied by our President.

Our traditional Christmas fun shoot is scheduled for Sunday 19<sup>th</sup> December 1.00pm for 1.30pm. We would like to canvass opinion from members if you would wish to attend, as in the past (pre-covid) we held the event indoors at Royds Hall sports centre. As you are aware we now have our own indoor shooting range but we will not be able to fit as many people across the shooting line as we did at Royds therefore we may have to shoot in detail dependent upon numbers attending or we could shoot outside and perhaps have the presentations and mince pies etc. inside. Can you let me know if you will be attending?

Also, can you let me know if you would like to come and have a look at the finished indoor range (no shooting involved) on Saturday 11<sup>th</sup> December, just as a small social event (maybe some food involved) in the early evening – time to be confirmed.

## **6. Coaching:**

Beginner course 10 commences Saturday 20<sup>th</sup> November. This is the last course for this year.

We have no more Taster sessions until 30<sup>th</sup> January 2022.

## **7. Major Projects:**

As you are aware the new indoor range is built and we are now completing the electrical installation. We will inform you when it will be available for use.

## **8. Forthcoming Events:**

Please see item 5 above.

## **9.AOB**

b) Thanks to Steven Hirst and Ian Huntingdon who turned up to help to tidy the various buildings on Thursday 21<sup>st</sup> October whilst Will and myself carried out the tree planting to accord with the planning requirements.
