

The Valley Bowmen of Huddersfield The Senior and Junior Indoor Championships 25th March 2018

Due to inclement weather (it snowed a bit) the indoor facilities were not available for the 18th March so the event had to be moved to the 25th March 2018 and was held at the same time as the Handicap Championships. The members that attended the championships found themselves overwhelmed with trophies as brand new trophies were added to the multitude of prizes available for the competition. Well done to everyone who won awards and also to those who took part.
