

## The Valley Bowmen of Huddersfield Outdoor Handicap Club Championships 2017 – Sunday 24<sup>th</sup> September

We were blessed with another beautiful day for the start of the Outdoor Handicap Club Championships for 2017.

A full FITA round (now the WA1440) is traditionally shot for the handicap championships.

There were 11 members who turned out to compete for the championship trophy.

Anyone with 3 validated scoring round is awarded a handicap allowance and if everyone shoots to their handicap everyone will have a final score of exactly 1,440 after adding to their own score their allowance, this equates to the maximum score possible for a full FITA (WA1440) round.

If a member has recorded at least three validated rounds they will have a handicap. It does not matter what bow style you shoot or what your ability is, the handicap system gives everyone an equal chance of coming on top at the end of the day.
