

## The Valley Bowmen of Huddersfield

### Outdoor Club Championships 2019 – Sunday 8<sup>th</sup> September

The Outdoor Club Championships for 2019 was well represented with 20 competitors competing in a variety of rounds, some of which were to compete for the prestigious title of Valley Bowmen of Huddersfield Club Champion. The Club Championship rounds were the WA1440 for Gents and Ladies and an appropriate Metric round for the junior competition. There were also 6 newbies competing in the Metric III and Metric IV rounds.

The day was fantastic and very warm, no excuses then.

Most of the club championship trophies were present and correct and at the field to be competed for apart from the Gents Longbow (technical problems).

Well done to everyone who competed and congratulations to all the winners.

There was a mistake or two in the scoring but this did not affect the results, please use the totals below when engraving.
