**Yorkshire Day Shoot – Sunday 4<sup>th</sup> August 2019**  
**“Ow Do!”**

Welcome to the Report and Results for the 2019 Yorkshire Day Shoot, I am unhappy to report (honest) that the Yorkshire flags could not be brandished on the field to celebrate our shoot because they could not be located, and NO I haven't burnt them in the back of the woods.

The weather was very pleasant, and as such we benefitted by having an excellent turnout of the membership for the event. There were 24 competitors in total taking part, all competing in various rounds from the full senior York round right down to the juniors Bristol IV.

There was a new addition to the trophies on offer at this year's meeting, The Yorkshire Rose Cup was available and was to be awarded to the archer achieving the best gold the end before lunch.

Well done to Steve Atkins, the first winner of The Yorkshire Rose Cup for the best gold at 100yds at the end before lunch.

Richard Nuttall – winner of the silly hat award

Strange, odd weeds growing sort of near the 100 yds line.

“Sithee!!”
