

The Valley Bowmen of Huddersfield The Christmas Raffle Shoot – Sunday 19th December 2021

This year was a little bit different (again) as we all know. The new indoor facilities had been the original venue for the shoot but as we could not provide enough social distancing and air circulation the event was moved to the outdoors to help keep those who entered the shoot safe.

The shoot format requires scoring as many points as you can and also gambling on hitting the hidden prize zones which may or not score points. Each archer had three arrows per end and then had to move along the shooting line to shoot at each of the 4 Christmas themed targets. We managed 3 circuits and a total of 3 dozen arrows were shot on the day. There were enough mince pies and sweets to go around and there were 40 hidden prizes spread over the four targets to find.

There were a few mathematical errors on the score sheets (surprise, surprise) but this did not affect the final outcome.

Well done and thank you for supporting the shoot and a big thank you for bringing all those gifts.

The shoot cannot work without your generous (I think that's the word) donations.

I hope everyone enjoyed the afternoon and a special thankyou to Santa's little helpers for their assistance during the afternoon.
