

The Valley Bowmen of Huddersfield

Outdoor Club Championships 2022 – Sunday 4th September

The Outdoor Club Championships for 2022 was unfortunately not well represented with only 13 competitors competing, this included entries for the new 'handicap' competition. The low entries could be a hangover from the last 2 years' worth of restrictions, maybe. The rounds for the Club Championships are the WA1440 for Gents and Ladies and an appropriate Metric round for the junior competition. There were three members who elected to compete in the Metric round handicap competition.

The weather was good with little wind, a pleasant day.

Thank you to everyone who competed and well done and hearty congratulations to all the winners.

RESULTS
