### 2022 GRAND PRIX AWARDS & FUN SHOOT – 1<sup>ST</sup> OCTOBER 2022

Welcome everyone to the '2022 Grand Prix Awards and Fun Shoot'. As is now tradition we held a shorter version of the fun shoot. This year we welcomed back the 'Hero's and Villains' targets that depict comic/cartoon characters to shoot and hopefully score some positive points. Bonus points were available for hitting inside the randomly scattered hoops. There were also penalties for hitting the hero's. I decided to add a little flavour of my own by removing the line cutter rule, so if you cut a line you had to record the lower score (I thought it was amusing).

There were three categories, Recurve/Compound, Barebow/Longbow and Juniors (prizes were on the miserly side).

### **2022 GRAND PRIX AWARDS**

#### **THIRD Place goes to ALAN HODDINOTT**

Alan has been concentrating on longbow this year and has shown steady progress. Alan would have come out on top if it were not for the terrific exploits of the archers in 1<sup>st</sup> and 2<sup>nd</sup> places. Well done ALAN.

#### **SECOND Place goes to MOLLIE BOWER**

MOLLIE has been shooting extraordinarily well this year as she changed age groups and became a senior archer. If a couple of periods during the Grand Prix had gone a little better Mollie would have triumphed. Well done MOLLIE.

## FIRST PLACE GRAND PRIX TROPHY goes to ANNIE KYNASTON

Annie's consistent improvement during the year was the catalyst to keep her near the top of the list. It was late August when Annie got top spot and maintained the position for the rest of the competition. Annie's performance is even more impressive as she missed a full period of points as she did not record a score early in May.

Well done ANNIE.
