

## The Valley Bowmen of Huddersfield The Christmas Raffle Shoot – Sunday 18<sup>th</sup> December 2022

Thankfully this year we could utilise the indoor facility because it was a little bit horrible outside.

There were 16 archers taking part this year and because of their generosity there were so many gifts available we had to double up the prizes in some cases.

The scoring format was easy (I was generous to a fault), hit as many points as you could and perhaps gamble on hitting hidden prize zones which may or may not score points. Each archer had three arrows per end and then had to move along the shooting line to shoot at each of the 4 Christmas themed targets. We managed 4 circuits, and a total of 4 dozen arrows were shot. There were enough mince pies and sweets to go around with 40 hidden prize zones spread over the four targets to find. Not enough prize locations were uncovered by half way, this improved after the judges had recessed for 5 minutes leaving their target lists unprotected.

Well done and thank you for supporting the shoot and a big thank you for bringing all those gifts.

The shoot cannot work without your generous (I think that's the word) donations.

I hope everyone enjoyed the afternoon and a special thankyou to Santa's little helpers for their assistance during the afternoon.
