3. Tarmacking of existing car park area and marking out spaces.

MINOR PROJECTS: (in order of priority)

1. Apply a clear sealer to the concrete floor of the indoor range – approx. cost around £600.00 – to be revisited next Spring at the end of the indoor season.
2. Replace door to meter chamber
3. CCTV cameras and system kindly donated by Brent Owen. – decision on the timing of the installation to be made. The Secretary has checked out registration requirements and due to more onerous rules to comply with under the Information Commissioners Office (ICO) we are re-evaluating the situation. Also, we are to check with our insurers as to whether installation of CCTV would reduce our premium.

8. Forthcoming Events:

Bonfire & shoot Saturday 4th November:

Post meeting note: Bonfire shoot, bonfire and fireworks well attended even though the weather left much to be desired (it absolutely chucked it down) however the fabulous food provided by our members made up for it.
