

## The Valley Bowmen of Huddersfield The Christmas Raffle Shoot – Sunday 17<sup>th</sup> December 2023

We once again gathered together in our wonderful indoor facility to enjoy our annual Christmas Fun Shoot. There were 20 archers taking part this year, 4 more than last year, and with such a busy arena we just managed 10 ends of 3 arrows each.

The scoring format was easy once again (I must be getting soft), all you needed to do was hit as many points as you could. There were prize zones hidden all over the 4 targets and we had 44 prizes to give away to you lucky people. There were 4 Christmas themed targets and after each end archers moved onto the next offering. There were mince pies, sweets and other goodies on offer (thank you Alice). Once again the adjudicators had to assist the archers so that they came away with a prize or two.

Well done and thank you for supporting the shoot and a big well done to everyone winning a prize (that will be all of you then).

I hope everyone enjoyed the afternoon and a special thank you to Santa's little helper (Lynn) for her assistance.
