

## Frostbite Competition

31<sup>st</sup> December 2023

So, we have reached the final competition of year. As the name suggests, this was a Frostbite round (36 arrows @ 30m) shooting 3-arrow ends with two ends of sighters.

Although slightly soggy underfoot, we did manage to avoid the high winds and torrential rain of the previous few days with little more than a bit of drizzle getting in the way.

A total of 15 competitors took to the field of play with the following results :-
