### Saint George's Day Shoot – Sunday 21st April 2024

Welcome one and all to the 2024 St George Celebration Shoot on a surprisingly pleasant day in April. The rain was absent and we had a lovely sunny (mostly) event.

The 'St. George' was the round of choice for the coveted plaques on offer, the St. George round is 3 dozen arrows at 100 yds, 80 yds and 60 yds. There was also the handicap competition which included a plethora of different Windsor rounds.

We only had three longbow entrants for the St. George so at least one trophy was presented for a St. George on the day. We also had one lady longbow participator shooting the Albion round.

The Handicap Competition was well contended with 13 entrants shooting at various Windsor rounds, all participants gunning for the superb Handicap trophy.
