

## The Valley Bowmen of Huddersfield The Christmas Raffle Shoot – Sunday 22<sup>nd</sup> December 2024

It's that time again, no not Christmas, it's the Christmas Raffle Shoot for "One and All".

There were 21 archers taking part this year, similar to last year, and even with such a busy venue I forced persuaded the participants to shoot 3 dozen arrows 12 ends of 3 arrows each.

The scoring format was nice and easy, no tricks (lots of Christmas spirit), all you needed to do was to hit a scoring zone and win as many points as you can. As with previous years, there were prize zones hidden all over the 4 targets and we had many and varied prizes to give away to you lucky people. There were 4 Christmas themed targets and after each end archers moved onto the next offering. There were mince pies, sweets and other goodies on offer (A very special thank you to Alice). No matter how the scoring went, everyone went away with a prize or two.

I hope everyone enjoyed the afternoon and a special thank you to Santa's little helper (Lynn) for her assistance.
