

The Valley Bowmen of Huddersfield Outdoor Club Championships 2025 – Sunday 7th September

The Outdoor Club Championships for 2025 was temporarily interrupted by a number of showers late on in the day but that didn't dampen the enthusiasm of the hoards of competitors. The rounds for the Club Championships are the WA1440 for Gents and Ladies and an appropriate Metric round for the junior competition although we were a tad short of juniors on the day. There was also the Handicap competition competed for over various Metric rounds.
