

The Valley Bowmen of Huddersfield Indoor Novice Competition – Thursday 20th November 2025

There was a good turn out for the Club's Indoor Novice Competition with 11 archers competing in three bow categories being compound, recurve and barebow. The round, being indoors, was a Portsmouth requiring 5 dozen arrows being shot at a 60cm face at 20 yards distance.

The competition commenced at 6.30pm and finished around 8.45pm. With there being 11 archers the round was shot in detail being 6 and then 5 shooting.

The idea of the Novice events is to give recent members to the club an opportunity to meet other new members, to experience a club competition and to encourage people to come to other club competitions and events. In the recurve class it was a very close competition with only 3 points separating first and second.

The results are as follows:
